

Bathe your hair in luxury, with the new line of Terax® hair care products.

We have created a new line of old favorites, featuring our most popular shampoos, conditioners and styling products. With a combination of modern ingredients and carefully selected botanicals, the focus is on creating healthy hair from the inside out. These new products do not contain any sulfates, salts or artificial colors. Crema, the line's star product, is the only formula that remains unchanged, albeit for a fresh new fragrance.

Original Crema

Ultra moisturizing daily conditioner for all hair types

2 oz, 6.7 oz, 16.9 oz

The cult favorite, this luxurious conditioner, scented with rice flower, shea, bergamot and juniper is the ultimate way to revitalize stressed tresses. Crema's intense moisturizing properties are designed to heal and restore split ends, breakage, dryness associated with chemical treatments and environmental damage (wind, sun, chlorine and sea salt deposits), as well as combat static electricity. By altering the pH level of the hair, Crema opens the cuticle and allows moisture into the hair shaft leaving it soft and silky. Use Crema daily for healthy, manageable, and frizz-free hair.

To Use: After shampooing, apply a small amount to damp hair. Leave on for 1-2 minutes and rinse well. For deep conditioning, leave on hair for 15 minutes and rinse well.

Ingredients: Deionized water, cetearyl alcohol, stearammonium chloride, triethanolamine, isopropyl alcohol, centrimonium chloride, lauryl alcohol, fragrance, hydrogenated tallow glycerides, cetareth-3, myristyl alcohol

Life Drops

Leave in protein conditioner with silk and wheat proteins

6.7 oz bottle

Formulated with silk and wheat proteins, Life Drops strengthens and restores elasticity to dry, brittle strands. The formulation's slightly acidic pH acts to help seal the cuticle, retain moisture and prevent color fade. Life Drops is an essential step for all hair care regimens as it protects against and repairs heat styling damage. The warm vanilla sugar scent leaves locks smelling delicious. Life Drops restores the vitality of hair with:

- Silk protein for strength and softness
- Wheat protein for nutrient and moisture balance
- Yarrow for softening and conditioning

To Use: Dispense into palm of hand and apply a small amount to towel dried hair. Work through with fingers and style as usual.

Ingredients: Deionized water, propylene glycol, lauryl alcohol, silk amino acids, hydrolyzed wheat protein, achillea millefolium (yarrow), polysorbate 80, myristyl alcohol, cetrimonium chloride, citric acid, fragrance, butylparaben, ethylparaben, methylparaben, propylparaben, methylchloroisothiazolinone, methylisothiazolinone

 **Mix Life Drops with Silk Foam to protect hair during heat styling and blowouts.**

Hydrate Botanica

Leave in moisturizer with Naturina Complex™

6.7 oz bottle

Hydrate Botanica is a leave in moisturizer that soothes and refreshes normal and stressed hair, providing much-needed moisture to rejuvenate and protect lackluster locks. Scented with green tea and cucumber, it features our exclusive Naturina Complex™ consisting of:

- Arnica-rich in vitamins A-D
- Chamomile-a natural emollient
- Yarrow-to soothe and condition
- Nettle-nourishing to the scalp
- Fennel-for smoothing and softening
- Sage-refreshing properties
- Hops-a skin and hair softener

This combination of extracts provides hair with beneficial antioxidants, essential to fight environmental damage to hair and scalp.

To Use: Dispense into palm of hand and apply a small amount to towel dried hair. Work through with fingers and style as usual.

Ingredients: Deionized water, propylene glycol, lauryl alcohol, arnica montana (arnica), achillea millefolium (yarrow), german chamomilla recutita (chamomile), salvia officinalis (sage), humulus lupulus (hops), foeniculum vulgare (fennel), urtica dioica (nettle), myristyl alcohol, cetrimonium chloride, polysorbate 80, citric acid, butylparaben, ethylparaben, methylparaben, propylparaben, methylchloroisothiazolinone, methylisothiazolinone, fragrance

Terax shampoos feature our exclusive gentlewash™ system.

By eliminating commonly used sulfates, which can cause skin irritation and color fading, we have designed a cleansing system free of harsh chemicals and artificial colors. Imported from Germany, our exclusive system features plant and sugar derived surfactants and emulsifiers, as well as conditioners designed to be gentle on the hair. All shampoos contain Sunflower Seed extract, which helps to preserve color. Carefully selected botanical extracts compliment each type of shampoo.

To use: Apply a small amount to damp hair. Lather and rinse.
